

"Pay As You Go" EROL Managed Store Service

The "Pay as You Go" EROL Managed Stores service allows us to manage, maintain and update, and monitor your site - allowing you more time to focus on running your business and you just pay for the time taken to complete the work you require*

Our EROL Managed Store Service has no set up fee and is pay as you go – each month we can update your site products, add new feature products or promotions and add a seasonal theme when required. Each returning customer visiting your site will be reassured by the freshness and relevance of your site content

We offer a "Managed Store Service" for V4/v5 EROL sites, which allow us to carry out monthly maintenance remotely for you, this could include:

- Updating products and price details
- Adding Customer reviews and feedback
- Adding a Seasonal look or promotion to your site
- Patching your site to the latest EROL builds as they are released
- Adding Google Analytics and Tracking code
- Monthly ZIP Backup of your site

You benefit from:

Quick updates (usually within 3 working days)

Lower costs compared to time spent in house carrying out maintenance

Addition to your site of more technical store features, which might prove difficult to maintain in house

No Additional software costs

Pay as you Go EROL Managed Store Service customer feedback

"BCM continue to manage our web with expertise. Our questions and requests are dealt with efficiently and quickly. On the few occasions when matters had to be dealt with immediately and urgently we found a BCM representative quick to respond and instantly contactable. We are very happy to continue working with BCM and into the future" Director - Battling Toy Company Ltd.
